About Us

Jitender Rubber is a trusted trader and supplier of high-quality rubber products designed to meet the diverse needs of the automotive, construction, and infrastructure industries. Known for our commitment to reliability, product performance, and customer satisfaction, we have built a solid reputation for supplying durable and precision-engineered rubber solutions. With years of industry experience, we ensure our clients receive only the best products sourced from trusted manufacturers. Whether your requirement is industrial-grade rubber profiles or specialized sealing solutions, Jitender Rubber is your dependable partner.

At Jitender Rubber, we offer a wide range of rubber components that cater to multiple applications and industries. Our core products include TVS Glass Rubber Beading, EPDM Rubber Beading, Epdm Door Seal, Elastomeric Neoprene Bearing Pad, EPDM Door Rubber Profiles, and more. All our products are manufactured using premium raw materials such as EPDM, neoprene, and natural rubber, ensuring long-lasting performance even under harsh environmental conditions.
