About Us

Welcome to Godious Private Limited, your trusted partner for high-quality lighting solutions and products. We specialize in providing a wide range of LED and solar lighting products that cater to diverse needs, from residential to industrial applications. Since our establishment, we have rapidly grown into a leading trader and supplier in the lighting industry, delivering innovative solutions that are both energy-efficient and cost-effective. We are committed to offering premium quality LED Flood Light, LED Street Light, Semi-Integrated Solar Street Light, All In One Solar Street Light and many more. Our products are designed to enhance visibility, safety, and sustainability in many settings. The lights built for use in outdoor settings, commercial building, and street lighting projects would last longer as they provide long term performance and durability in all weather conditions.

We understand that lighting plays a crucial role in shaping the ambiance of any environment, and we strive to offer the latest energy-saving technology. Our solar street lights, for instance, harness the power of the sun, providing a green, cost-efficient alternative to traditional electrical lighting. We focus on quality and reliability, ensuring our products meet the highest performance standards. We will be glad to boast of our aggressive customer focus as well as offering tailored solutions for the various needs of each client. Our team of experts is always ready to assist you in choosing the perfect lighting solution, providing you with exceptional support and after-sales service.
