About Us

Sachin Textiles is among the best manufacturers and suppliers, and ISO and GMP certified company dealing with quality uniforms to the medical and hospital sector. We have a wide range of products up our sleeves to cope with the demands placed by the healthcare professional, including Hospital Patient Uniforms, Polyester Doctor Coats, Polyester Nursing Dresses, White Gabardine Doctor Coats, White Cotton Nurse Dresses, and many more. Our uniform is made with the finest materials, ensuring not only comfort for the medical people and patients alike but also great durability and smooth movement.

For us, it is more important to consider both utility and aesthetics in the designs because any healthcare professional appearance will always be of utmost importance. Every item was created with care to meet individual demands among the medical professionals, such as breathability, easy care, and durability that would last long. We have them in various sizes and colors to suit the preferences and requirements of our clients.

We made quality, competitive pricing, and timely delivery keys to success. We provide for hospitals, clinics, health facilities, and individual practitioners; this results in large and customized orders without compromise in quality. The topmost priority for us is customer satisfaction and promise of excellent service with high standards on every product.
