Infrastructural Facilities

We are able to meet the ever growing requirements of clients, leveraging on robust infrastructural facility. Built across a sprawling area, our infrastructure is well integrated with advanced fabrication, R&D, quality testing, packaging and all other requisite facilities that gave us a competitive edge in manufacturing premium quality products. We have also installed modern set of machinery, latest equipment as well as cutting edge technology, in our sophisticated manufacturing facility. All these exist in us in executing various processes in a smooth as well as swift manner.

Following are some of the machines outfitted at our production facility :

- **CNC Plasma Cutting Machine**
- **IGBT TIG Welding Machine**
- **IGBT Arc Welding Machine**
- **IGBT MIG Welding Machine**
- **CNC 5 Axis 150 Ton Break Press**
- **CNC Shearing Machine**
- **M.S. Plate Rolling Machine**

Why Us?

Following are some of the factors that distinguish us from others :

- **Customer centric approach**
- **Precision engineered product range**
- **Market leading prices**
- **Stringent quality control measures**
- **Well equipped manufacturing facility**
- **Skilled team of professional**
- **Expedite delivery of consignments.**

Manufacturers & Suppliers of :

- **Sheet Metal Products**
- **Fabrication Steel Products**
- **Inspection Table**
- **S.S. Spiral Staircase**
- **S.S. Water Tank Capacity Upto 1000 litres**
- **Cable Trays**
- **Fire Fighting Box**
- **M.S. & S.S. Trolley**
- **S.S. Canteen Table**
