

OPERATING SURGICAL TABLES

KEEPING PACE WITH THE FUTURE

LEADING THE WAY

ACE INDIA

Operation Theatre Tables, Operation Theatre Lights and LED Operation Theatre Lights in India, which is continued to be the trendsetter throughout the years of history. From the last 15 years, we have created a proficient niche both in the domestic and international medical industry, with its products sold nationwide and to countries and regions like Europe, The Middle East, South America, Africa and South East Asia.

We have the privilege to design and distribute the most sophisticated and technological latest products in the service of medical profession. Our Research and Development department is continuously involved in designing & developing better design and technical solution at the required standard by the customers. We are empowered with an efficient workforce of skilled and dedicated staff. Our manufacturing facilities are located in Delhi, equipped with the latest machinery and all the work is done in house. While continuously increasing the production process, we also continuously improve the product quality.

We assure to satisfy you with our quality, workmanship and after sales service as we always do to meet the requests of our valuable customers. We give our customers a tailor made cost for cost effectiveness by keeping close watch at every step in order to give a personalized service. Motivated by the service philosophy of "Endeavor to affect customers". Technomed will, as always preserve in creating the new image of Indian Medical Equipments production and contribution to the health of all human beings around the world.

We can also manufacture the equipments according to your required specification as we are the original manufacturers, so please let us know if you need any change.

ACE MEDICAL team is looking forward to sincere cooperation with you. Lets advance and pursue a wonderful future by mutual efforts.
