About Us

Having precise pH value, purity and skin friendliness, dyestuff and pigments are extensively used in the industry. SKU Pigments Pvt. Ltd. is a well-established business entity engaged in offering premium products at industry leading prices. Considerable experience in this field has made us distinguished Pigments and Dyestuff Manufacturer, Exporter and Supplier. Our combined capabilities and effective utilization of resources allows us to offer Ultramarine Blue, Industrial Ultramarine Blue, Auramine O, etc.

We are engaged in the Manufacturing, Exporting and Supplying of Industrial Dyestuff & Chemical for more than two decades. The company was established in the year 1988 to provide high quality chemicals by following modern production methods and ethical business practices. With customer centric business policies, we have garnered a huge base of clientele in the global market by offering the best quality standards and implementing their feedback to enhance the quality of existing range of chemicals.

Since inception, we have been pursuing excellence in this industry. With a well-equipped manufacturing unit and high-tech production processes, we keep a close control over the physical, chemical, and colour characteristics. Our quality control enables us to successfully meet the different demands of our customers with accurately compositional products of diverse variations and properties.

To provide high quality standards in Auramine O, Ultramarine Blue, Industrial Ultramarine Blue, and other products has always been our prime motto. We have been adhering to the global quality norms to ensure to provide products as per the international standards. All the products are subjected to different tests to guarantee basic parameters such as effectiveness, purity, long shelf life, etc. Moreover, constant monitoring of quality at every level of production aids in consistently offering the best.

We have gained a foothold in this industry under the able guidance and stewardship of our mentor late Shree Krishan Kumar Agrawal. His immense knowledge and extensive experience has helped us in acquiring a renowned position of manufacturer, exporter and supplier of high grade products. With a proven track record and expertise, we are able to offer Ultramarine Blue, Industrial Ultramarine Blue, Auramine O, etc. Besides, we have also ventured into the production of various products under the brand name Lorence. It includes FMC goods like Washing Detergent Powder, Liquid Blue whitener, Toilet Cleaners, etc. Manufactured within the parameters of quality, our
