About Us

At LGS Projects Private Limited, we aim to deliver quality manufacturing and supply solutions that are bespoke to meet the needs of your business. We are a leading manufacturer and supplier of premium grain storage silos, Zincalume steel tanks, GLS tanks, and more storage solutions for the industries around the world. With our know-how of market requirements and commitment to improvement, we can develop innovative solutions for storage products to deliver to a wide range of industries. Whether it is agricultural storage, or industrial liquid and bulk storage solutions, we design every product with the requirement of maximizing operational efficiency. Our experts work closely with our clients in order to design unique solutions that optimize both storage capacity and safety.

We continue to grow, expanding our product offerings and seeking new markets. We are dedicated to the pursuit of research and development that drives innovation in our field and keeps us ahead of the competition in the manufacturing and storage solutions industry. We strive to build long-term relationships with our customers based on trust, reliability, and outstanding service.
