About Us

Clan Numen is a leading name in the pharmaceutical industry, epitomizing excellence through our complete range of pharmaceutical formulations. We stick strictly to quality as a trader, supplier, and exporter of pharmaceutical products that are of international standards. Our list includes commonly used drugs like Abacavir Tablets IP, Amlodipine Tablets IP, Atomoxetine Hydrochloride Tablets, Clomiphene Citrate Tablets IP, Caspofungin Acetate For Injection, Diclofenac And Paracetamol Tablets, Cyclophosphamide Injection IP, and Abiraterone Acetate Tablets.

We are maintaining the standards of quality control that ensure that all our products are pure and effective. Clearly operating with an impenitent adherence to the highest pharmaceutical practices, it is obvious that our operation conformed strictly to the norms of GMP and WHO regulation. We provide a reliable system of supply chain management that promises on-time delivery and product integrity throughout the whole process of supply.
