About Us

We are glad to introduce our company, Ekdant Solutions, as one of the leading manufacturers and suppliers of Online UPS, Paper Band Filtration System, Power Chuck, Sump Sucker Pump, etc in Pune. Our products cater to the machine tool, metalworking, and automotive industries, and are developed by a team of highly experienced professionals with 15 to 20 years of expertise in designing, planning, and manufacturing these systems.

We have been able to design, develop and supply chip conveyors and coolant filters in a wide spectrum of applications for both indigenously manufactured as well as imported machines. Our equipment is also offered as Original Equipment by quite a few Machine Tool Manufacturers. We value prompt and efficient service to our customers. We hold a ready stock of major spares at all our locations so that clients can work without interruption.
