About Us

Leveraging upon our 22 years of experience, we, Sarthak Overseas, have evolved as a notable manufacturer and exporter of HPL. In market, we are also acknowledged as an importer, supplier and trader of MDF Boards, Doors and Particle Boards. Our product range also includes Densified Laminated Plywood, Decorative Laminates and several other such products.

Based in Delhi, India, we, SARTHAK OVERSEAS, are one of the prominent manufacturers and exporters of HPL. We are also reckoned among the reputed traders, suppliers and importers of MDF Boards, Decorative Laminates, Doors, Particle Boards and other products. For the last 22 years, we have been providing our products to number of customers and fulfilling their needs in time. Our products are very good in textures and designs. They have strong resistance to moisture, termite and adverse weather conditions. We offer them in various colors, sizes and shapes as per the buyer' specific demands. Not only this, our products are also affordable as we offer them at the economical prices.
