About Us

Progressive Corporation is a famous manufacturer and supplier company of top-notch, high-quality dehydrated food products. Our product portfolio consists of Dehydrated Potato Powder, Dehydrated White Onion Flakes, Dehydrated Red Onion Powder, Dehydrated Ginger Powder, Dehydrated Garlic Powder and many more. We focus majorly on innovation and product pleasantness, ensuring that it meets the diverse desires of the food processing enterprise and business kitchens and households.

Our products are designed to offer convenience without compromising on taste, aroma, or dietary content. Whether you're a meals producer seeking out dependable ingredients or a restaurant seeking to streamline your operations, our dehydrated products offer an ideal solution for boosting your culinary creations.

Our production centers are technologically superior and allow us to produce dehydrated food products, which are not only handy but also cost-effective. We are leaning toward turning in solutions that answer the desires of the dynamic international food market, together with sustainability and less waste.
