## About Us

Aarjavam Polysquare Pvt Ltd is one of the leading manufacturer, supplier, exporter, and trader of disposable food packaging and tableware products in the market. Our prerequisite product list comprises Dinner Disposable Plate, Biodegradable Compartment Tray And Lid, Brown Sandwich Paper Wrap, Bio-Degradable Knife, Bio-Degradable Fork, Coffee Cup Holder, Kraft Double Wall Paper Cup, and White Paper Curry Container. For us, packaging solution has elements beyond the traditional options in value and performance, to deliver the maximum value for takeaway, delivery, and food service needs.

Our network of depots and warehouses is strong so we can control the logistic needs of our supply chain system in order to deliver products on time to our various centers. Our dedicated specialists work hard and keep all the concentration on job termination, solution mapping, and timely delivery and hence it becomes possible for us to offer a wide range of products and services all together in one place.
