About Us

Established in 2001 and located in Pune, Maharashtra, India, Swastik Press Components has emerged as a trusted manufacturer and supplier of high quality pipe fittings and related components. Over the past two decades, we have specialized in designing and producing a wide range of products including Metal Hose Clip, PVC Master Coupler, PVC Fabricated Tail Piece, MS Tail Ring and much more. Guided by our philosophy, Chase Quality, Quantity Will Chase You, we focus on delivering durable, reliable, and innovative solutions. Our core clientele spans dealers and industries in agricultural pipe fittings, automobile manufacturing, process industries, boiler production, sugar manufacturing, and more.

We are committed to continuous improvement and innovation. Our mission is to develop products that exceed customer expectations while fostering collaboration with employees, dealers, and end users. We aim to introduce at least five valuable products to our range every year, staying ahead in technology and quality standards.
