## About Us

Metro Portable Cabins and Cranes is a trusted name in the field of portable infrastructure solutions, specializing in the manufacturing and supply of high-quality modular structures. Based in India, our company is widely recognized for offering a comprehensive range of products including Modular Portable Side Office Cabins, FRP Portable Cabins, Prefabricated Portable Cabins, and Prefabricated Container Homes. With a deep commitment to innovation, quality, and functionality, we design each unit to meet the modern-day demands of space efficiency, durability, and mobility.

Our cabins and prefabricated solutions are engineered using premium materials and advanced manufacturing techniques to ensure superior strength, weather resistance, and long-term usability. They are ideal for a wide range of applications such as construction sites, temporary office setups, guard rooms, accommodation units, and portable homes. We are backed by a skilled team of professionals and a robust infrastructure that enables us to deliver customized solutions tailored to client specifications.
