## About Us

For more than 25 years, we, Khatau Valabhdas And Co. have been living up to the expectations of customers across the country as a reliable manufacturer. They highly trust our brand of Fluorescent Yellow Pigment Dyes, Hand Sanitizer Dyes, Multicolor Leather Dyes, Liquid Dyes Chemical, etc. Under the guidance of our mentor, Mr. H.D. Khatau, we have transformed our company into the most reliable source to avail highest grade Chemicals and Dyes. Bulk orders are placed everyday for our product line and they are completed by us in no time. We never overcharge for our reliable services and deliver excellence along with the orders of customers.

All the products are packed with perfection using A grade material. There is a separate department at our premises which is equipped with latest packaging machines. They are used by our experts who wrap the items accurately and ensure to seal the assortment accurately. Our team assures customers about the quick as well as safe shipment of consignments. In all these years, we have learned about the exact needs of clients. Hence, they get incomparable solutions from our end and always return to us. Our aim is to become a more efficient partner.
