About Us

Nakoda Industries is a renowned manufacturer and supplier of high-quality aluminium products, dedicated to delivering excellence through innovation, precision, and reliability. Based in India, we specialize in producing a wide range of aluminium materials that cater to various industrial and commercial applications. Our product line includes Aluminium Reflector Sheets, known for their excellent reflective properties, making them ideal for lighting and interior applications. We also offer Aluminium Embossed Sheets, designed for enhanced durability and aesthetics, widely used in insulation and decorative purposes. Our Aluminium Stucco Coils are appreciated for their textured finish and strength, making them suitable for roofing, cladding, and HVAC systems. Additionally, we manufacture Aluminium Polysurlin Coils, which combine aluminium with a moisture-resistant polysurlin film, perfect for insulation in extreme environments. In addition, to the mentioned products, we have many more items known for their premium quality. We employ advanced manufacturing processes and strict quality control measures to ensure our products meet industry standards. Backed by a skilled workforce and a customer-first approach, we are committed to offering timely deliveries, competitive pricing, and long-term value to our clients across India and beyond.

Nakoda Industries, based in Bhiwandi, Maharashtra, India, is a trusted manufacturer and supplier of premium aluminium products. We specialize in Aluminum Coil With Polycraft Coating, Aluminium Cold Rolled Coils, Aluminium Plate, Aluminium Alloy Plate, etc. With a focus on quality, innovation, and customer satisfaction, we cater to a wide range of industrial and commercial needs across India. Our Bhiwandi-based facility is well-equipped to handle large-scale production and timely delivery, making us a reliable partner in the aluminium industry.
