About Us

Modern Fabrication Industries Private Limited is a name trusted in the construction industry. We provide high-quality roofing solutions and structural services. We specialize in the area of providing robust, cost-effective, and innovative solutions specifically tailored to the different needs of the residential, commercial, and industrial sectors as manufacturers, suppliers, and service providers.

Our diversified portfolio of products ranges from GI Colour Coated roofing sheets to waterproof color-coated roofing sheets, TATA Galvanized roofing sheets, JSW Galvanized Roof Sheets, and metal roofing sheds, steel construction structures, to name a few. Whether one requires a highly robust roofing solution or a whole structural framework, we combine leading-edge technology with high-grade material to ensure not only longevity but also performance. Our products certified by industry majors like TATA and JSW assure unparalleled strength and reliability.
