## About Us

Mondial Exports Private Limited (MEPL) was founded in 1994 to offer African importers relevant and competitive technological Indian products to meet their unique requirements. We are a reputable provider of flat steel and long steel products from India, Turkey, Ukraine and China, providing the Importers a significant competitive advantage over all the rivals.

For the last two decades, our mills and partners in China, India and Turkey have provided us with the products and services we need to meet our customers' needs.

**Mondial Exports Pvt. Ltd.** was established in 1994 with the objective of serving the specialized importing needs of African importers by supplying them competitive and relevant technology products from India.

From 2007, we have started manufacturing ERW Hollow Sections for exports as well as for Indian market, at our facility close to JNPT port in Mumbai,

Mondial also have set up a steel service center for exports out of India, which enables us to cater to all your steel and engineering goods requirements in assorted containers.
