About Us

There is no denying the point that gems have exceptional energies and for every gemstone, their energies and uses to combat negative factors are stated in Indian ancient scriptures like Puranas, Vedas, etc. Therefore, in India, gemstones are not merely used as jewelry pieces, but a way to enhance positive vibes around the wearer. For this reason, their popularity among Indians is unimaginable. Focusing on both spiritual, vedic and scientific aspects, Sameer Art & Craft set their business foundation as a manufacturer and supplier of Carnelian Bezel Connector, Designer Gemstone Earring, Gemstone Rainbow Earrings, Gold Plated Rings, Silver Ring, Silver Pendant, Charm Gemstone Pendant, etc. Experiencing the authenticity of Indian gemstones, people from across the world, began demanding gemstones and other jewelry pieces from India. Seizing the opportunity to make a presence worldwide, we diversified our business operations to be an exporter of gemstones and jewelry items.

Founded over a decade ago, Sameer Art & Craft is a gemstone and jewelry business. From Silver Rings to Charm Gemstone Pendant and Designer Gemstone Earring to Gold Plated Rings, we offer a wide variety of authentic pieces of jewelry to our clients.
