About Us

Aim Corporation is a prominent name in the printing and labeling industry, engaged in manufacturing, supplying, and exporting premium-quality labeling solutions for diverse industrial applications. With a strong commitment to quality and innovation, we offer an extensive range of products including Pesticide Bottle Sticker Labels, Glass Bottle Labels, Water Bottle Sticker Labels, Liquor Labels, Printed Lubricant Oil Labels, and many more. Our labels are designed to deliver excellent print clarity, durability, strong adhesion, and attractive presentation that enhances product identity and market appeal.

Since our establishment, we have focused on understanding evolving market trends and customer preferences to deliver customized labeling solutions that meet modern packaging requirements. We utilize advanced printing technologies and quality-approved raw materials to manufacture labels that are resistant to moisture, oil, scratches, and varying environmental conditions. Our products are widely appreciated across industries such as beverages, pharmaceuticals, cosmetics, lubricants, agrochemicals, food processing, and consumer goods.
