About Us

Set up in 2024, Dyshan Healthcare Private Limited has established itself as a reliable brand in the healthcare and medical supplies industry in no time. Functioning as a manufacturer and supplier, the organization provides a wide array of products targeting hospitals, clinics, laboratories, pharmacies, and personal healthcare requirements. Our wide range of products includes Examination Gloves, Nitrile Examination Gloves, Face Masks, Surgical Gloves, Medical Caps, Weighing Scales, Nebulizer Machines, Disposable Shoe Covers, Oxygen Concentrators, Pulse Oximeters, Height Measuring Scales, Surgical Gowns, and many more. With our extensive network of branches all over India, we have developed a niche customer base by rendering total customer satisfaction consistently by delivering quality products. Our dedication towards service excellence, consistency, and ethical practices has gained us the credibility of both clients and partners within a short duration.

Dyshan Healthcare Private Limited founded in 2024, in New Delhi, India, manufactures and supplies Disposable Vinyl Examination Gloves Powder Free, Orange Nitrile Gloves, Blue Nitrile Examination Glove, Disposable Medical Gloves, Nitrile Examination Gloves Non Sterile Powder Free, and more. With an emphasis on quality, customer satisfaction, and sustainable growth, Dyshan Healthcare Private Limited is establishing itself stronger and stronger in the Indian healthcare industry. In providing diverse varieties of necessary medical products and practicing ethical work, we intend to develop long-term relationships and make meaningful contributions to the improvement of healthcare services across the country.
