

# PNEUMATIC ORBITAL RIVETING MACHINE

Manufacturer, Supplier, Service Provider

Assembly SPM Machine, Auto Screwing Machine, Automatic Contact Riveting Machine, Bottom Riveting Machine, Dual Head Orbital Riveting Machine, Hydraulic Hand Held Riveting Machine, Hydraulic Riveting Machine, Index Based Riveting SPM, Industrial Indexing Drives, Industrial Nut Clinching Machine, Industrial Rotary Indexing Table, Industrial Tapping Machine, Metal Cam Indexer Drive, Metal Cam Indexing Table, Pneumatic Orbital Riveting Machine, etc.

**DUAL HEAD ORBITAL RIVETING MACHINE**

**SPIN RIVETING MACHINE**

**BOTTOM RIVETING MACHINE**

## About Us

Orbit Automation And Plastics is committed to delivering innovative engineering solutions through precision-driven machines and automated systems. As a manufacturer, supplier, and service provider, the company specializes in designing and producing a comprehensive range of high-performance equipment tailored to modern industrial needs. The product lineup includes pneumatic orbital riveting machine, spin riveting machine, bottom riveting machine, portable hydraulic riveting machine...

Orbit Automation And Plastics is committed to delivering innovative engineering solutions through precision-driven machines and automated systems. As a manufacturer, supplier, and service provider, the company specializes in designing and producing a comprehensive range of high-performance equipment tailored to modern industrial needs. The product lineup includes Orbital Riveting Machine, Spin Riveting Machines, Bottom Riveting Machines, Portable Hydraulic Riveting Machines, Dual Head Orbital Riveting Machines, Rotary Indexing, Tapping SPM Machines, and Auto Screwing Machines. Each solution is engineered to offer enhanced productivity, consistent performance, and seamless integration into various industrial processes. Precision, durability, and user-friendly operation are at the core of every machine produced. The range is designed to optimize manufacturing efficiency with compact designs, energy-efficient operation, and minimal maintenance requirements.

## Key Facts

<b>No of Staff</b>	10
<b>Year of Establishment</b>	2018
<b>OEM Service Provided</b>	No

## Our Products

**Industrial Indexing Drives**

**Screw Tightening Machine**

**Tapping Spm Machine**

**Hydraulic Hand Held Riveting Machine**

**Index Based Riveting SPM**

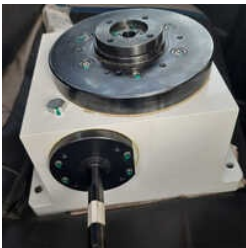

**Automatic Contact Riveting Machine**

**Riveting Machine With Process Monitoring**

**Industrial Nut Clinching Machine**

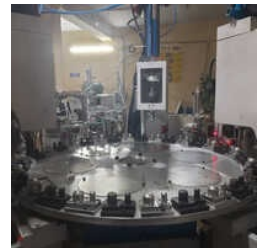

**Metal Cam Indexer Drive**

**Rotary Indexing Table**

**Portable Hydraulic Riveting Machine**

**Assembly SPM Machine**

**Pneumatic Orbital Riveting Machine**

**Portable Riveting Gun Machine**

**Hydraulic Riveting Machine**

**Metal Cam Indexing Table**
