About Us

Since 1994, we, BND Engineers Pvt. Ltd., have been market leaders dealing in a broad range of premium-quality industrial equipment. We are listed among the top manufacturers, suppliers, and exporters of Coil Heat Exchangers, Cylinder Pistons, Oxygen Valves, Oil Coolers, and more. All our offered products are made in compliance with predefined industry standards and under the guidance of expert production professionals. By following a stringent production process and with the support of our dependable vendors and professionals, we manage to create a product range that is precisely designed, requires less or zero maintenance, is resistant to water and heat, and has high strength.

By offering several features in our products, along with a satisfactory customer experience, we promise our customers receive a complete return on value for each penny spent. We prioritize our customers and their requirements because we value their precious time and money invested in us.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	compressor parts,
No of Staff	11
Year of Establishment	1994
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	As per order based
ProductRange	compressor parts,

Our Products

Graphited PTFE Rings

Air Oil Separator

PTFE Gasket

Activated Alumina

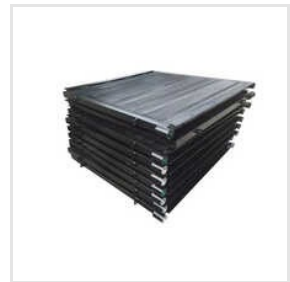

Cylinder Piston

Air Compressor Kits

**Air Compressor Valve
Blade**

Compressor Radiator

Coil Heat Exchanger

**Industrial Air Cooled
Heat Exchanger**

Tube Heat Exchanger

Spiral Heat Exchanger

**Shell And Tube
Condenser For Ice**

Industrial Oil Coolers

**Heat Exchanger For
Process Plants**

**Tube And Shell Heat
Exchanger**
