

Casting *Products*

We Deliver, What We Promise.

ASTM A536 Castings, Agriculture Castings, Alloy Steel Forgings, Aluminium Bronze Castings, Aluminum Centrifugal Pump Castings, Aluminum Valve Cover Castings, Automotive Castings, Bronze Pump Part Castings, CF8M Castings, Cast Iron Centrifugal Pump Castings, Cast Iron Gear Box, Casting Pump, Copper Sand Component Castings, Die Cast Components, Electric Motor Body Castings, etc.

CASTING PUMP

**CAST IRON CENTRIFUGAL PUMP
CASTINGS**

**GUNMETAL DEWATERING PUMP
CASTINGS**

About Us

Sunmax Metal is a trusted trader, exporter, service provider, and supplier offering high-quality engineering solutions for diversified industries. We take pride in delivering precision casting pumps engineered for the task while being backed up by expertise in industrial machining and production services, quality assurance processes, and hassle-free industrial sourcing solutions. With quality commitment, we serve water works, pump, valve, earth moving, marine, and OEM industries with reliable performance and long-term value. Our casting pumps are designed for superior durability and optimized performance ensuring efficiency and longevity in demanding applications.

Our machined components are highly complex, and we have equipment that no other can match. In our industrial high-precision machining and production services, we use advanced CNC equipment along with a multi-axis machining center. Our industrial sourcing service allows us to access a well-established global supplier network for our clients to operate almost seamlessly.

Key Facts

No of Staff	4
Year of Establishment	2001
OEM Service Provided	No

Our Products

Alloy Steel Forgings

Industrial Sourcing Service

Precision Investment Castings

Aluminum Centrifugal Pump Castings

Spheroidal Graphite Iron Castings

Gray Cast Iron Castings

Bronze Pump Part Castings

Copper Sand Component Castings

Electric Motor Body Castings

High Pressure Die Castings

Red Oxide Iron Castings

Aluminum Valve Cover Castings

Aluminium Bronze Castings

Industrial Machining And Production Service

Quality Assurance Processes Service

Hot Forged Part Castings
