About Us

Zen Fasteners Private Limited is dedicated to producing high-quality fasteners that are sufficient enough to cater to the needs of today's industries. Being a manufacturer, trader, and supplier, we deal in the manufacturing of numerous precision-engineered items, such as mild steel fastener bolts, mild steel hex bolts, foundation bolts, carriage bolts, heavy MS hex nuts, m10 hex nuts, etc. Our strengths are ensuring the highest metallurgical quality, strength, and toughness in all our products. Focusing intently on precision engineering, each item is engineered to provide flawless threading, a solid fit, and dependable performance.

Elevated levels of strict quality control higher than industry requirements are incorporated into the manufacturing process for consistency and dependability. Our high inventory level ensures a steady supply of both regular and specialty fasteners, allowing us to fulfill bulk and emergency orders with ease. We also offer zinc plating and rust protection coatings that enhance corrosion resistance, making our products ideal for use in various environmental applications. Our commitment to innovation and advanced technology allows us to design fasteners with specially designed thread structures, thread sizes, and material specifications to present solutions to accommodate the needs of different industries.

Key Facts

No of Staff	10
Year of Establishment	2024
No of Production Lines	2
OEM Service Provided	No
Monthly Production Capacity	100 ton

Our Products

M10 Hex Nuts

High Tensile Bolt

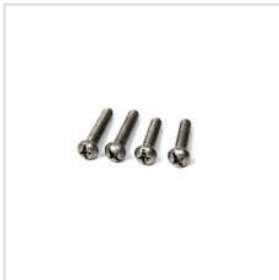

High Tensile Hex Bolt

Foundation Bolts

Hex Bolt Half Thread

Combo Head Bolts

Carriage Bolts

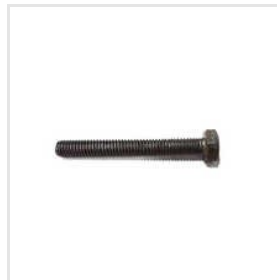

Round Head Bolts

Heavy MS Hex Nuts

Mild Steel Bolt

Mild Steel Fastener Bolt

Full Thread Hex Bolt
