About Us

Established with a vision to deliver cutting-edge security and automation solutions, GMT Security And Automation India Private Limited has emerged as a trusted name in the industry. We are a prominent manufacturer and supplier, committed to providing innovative, high-quality, and reliable products that meet the evolving demands of modern security and automation systems. Our extensive product range includes ISO Proximity Cards, Electronic Buzzers, Biometric Attendance Systems, and Electrical Enclosures with Power Supply, each designed with precision and advanced technology to ensure optimal performance.

We prioritize quality, innovation, and customer satisfaction. Our operations are powered by a team of highly skilled professionals and supported by a well-equipped manufacturing facility that enables us to maintain strict quality control and efficient production processes. We cater to diverse sectors including corporate, industrial, institutional, and residential, offering customized solutions that enhance operational safety and efficiency.

Our commitment goes beyond just delivering products, we believe in building long-term relationships through timely delivery, competitive pricing, and exceptional after-sales service. With a strong footprint across India, we continue to strive toward excellence in every aspect of our operations, making us a reliable partner for all your security and automation needs.
