About Us

Reveriee Deccors offers to redefine the aesthetics of every home and outdoors through a large range of handcrafted dcor solutions. As a manufacturer, supplier, and trader, we are proud to provide high-quality products that strike the perfect harmony between artistic excellence, durability, and functionality. There are many items in this collection, such as FRP planter pot, Natural planters, Wooden planters, Concrete planters, Ceramic planters, Antique sculpture, Religious statue, Tabletop sculpture, Corporate fountain, and more, with a view to satisfying different tastes and architectural needs.

Every item is designed to bring special elegance to domestic and business spaces. Our weather-resistant FRP planters can work under the toughest outdoor conditions because they are very long-lasting. The modern architectural appeal of concrete planters is accompanied by exceptional durability. Our wooden planters are constructed with premium, moisture-resistant timbers for long-lasting elegance, whereas ceramic planters have been prepared with a touch of sophistication added through the application of hand-glazed finishes. Heritage-inspired decorations are another fine option. Our sculptures and religious statues are antiques that indicate immense expertise in craft and uphold authenticity in cultural characteristics in each aspect.
