About Us

With a commitment to surpass all the customers' expectations, we strive relentlessly & constantly improve our products and services. RUSTAGI PLASTIC INDUSTRIES (PVT) LTD started its plant in the year 2001, and initially got engaged in the production of plastic household items. As our company grew from strength to strength, we soon expanded the orbit of our operation. At present we deal in over more than 100 items of numerous variety, and they include plastic household items in the name of UNILITE, furnitures collaborated with reputed companies, automotive/electrical products and home appliances, pet preforms and pet jars etc.....

We are committed to maintain the highest quality standard with all our products and as a result of uncompromising quality consciousness, we have already achieved the most reputed ISO 9001-2008 certification. We have also achieved the trust of our customer all over which is our greatest achievement. In spite of all RUSTAGI PLASTIC INDUSTRIES (PVT) LTD is determined to exhibit the same brilliant performance in the future. Our aim is to provide the best product to the customer and to be a distinguished identity in the industry.
