About Us

Metalic Industries, established in 1989 and located in Vadodara, Gujarat, is a distinguished manufacturer, supplier, fabricator, and wholesaler renowned for technical expertise and quality craftsmanship. We specialize in manufacturing custom designed machinery and equipment for clients across India, offering an extensive product range including MS Grating With Black Paint, Platform Grating, MS Hot Dip Galvanized Grating, GI Earthing Strip and heavy steel fabrication projects. Our products are crafted using high quality materials such as Mild Steel, Carbon Steel, Stainless Steel, and Low Alloy Steel procured from trusted vendors. Each product undergoes rigorous quality testing, including non destructive testing methods like DPT, MPT, UT, RT, and hydro testing as per ASME codes to ensure reliability, performance, and safety.

Known for compact design, accuracy, automation, and high efficiency, our machinery and fabricated products are tailored to meet personalized client specifications, reflecting our commitment to customization and customer satisfaction. Our advanced infrastructure and deep industry knowledge empower us to efficiently handle bulk orders while maintaining strict quality standards. Our dedication to excellence, stringent quality control, and customer centric approach make us a trusted partner for diverse industries seeking durable, cost effective, and precision engineered metal solutions.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	gi grating,gi grating,platform grating,trench grating,bar grating
No of Staff	17
Year of Establishment	1989
OEM Service Provided	No
ProductRange	gi grating,gi grating,platform grating,trench grating,bar grating

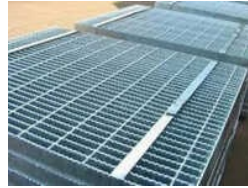

Our Products

GI Earthing Strip

Galvanized Grating Clamp

MS Hot Dip Galvanized Grating

MS Grating Jali

Mild Steel Grating

MS Grating With Black Paint

MS Gi Grating

Platform Grating

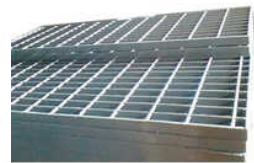

Aluminium Pilfer Proof Cap

Aluminium Ropp Cap

MS Grating Clamp

Industrial MS Grating
