About Us

Established in 2023, Shri Giriraj Minerals has quickly emerged as a trusted manufacturer and supplier of high-quality industrial minerals. We specialize in Potash Feldspar Powder, Ramming Mass Powder, Dolomite Powder, Silica Powder, and White China Clay, along with Feldspar Lumps and Quartz Powder. Our commitment lies in consistently delivering premium-grade materials that meet the varied needs of our clients across multiple industries.

Driven by ethical business practices and a transparent approach, we ensure customer satisfaction at every step. Under the inspiring leadership of our mentor, Miss Seema Sharma, we have achieved remarkable growth and established long-term relationships with our customers. Her guidance continues to be a cornerstone of our operations, enabling us to provide top-tier products while upholding the highest standards of service and integrity.
