About Us

Established in 13 May, 2022 in Pune, Maharashtra, Abet Technology is a trusted manufacturer and supplier of innovative kiosk solutions. We specialize in providing technologically advanced systems designed to enhance user engagement, improve operational efficiency, and ensure safety across various industries. Our extensive range includes Wall Mount And Hanging Kiosk, Feedback Kiosk, Safety Training Kiosk, Interactive Information Kiosk and Non Interactive Kiosk, each crafted with precision and high-quality standards.

Innovation is at the core of Abet Technology. We continually integrate cutting-edge technology into our products to deliver modern and user-friendly interfaces. From interactive training platforms to informative kiosks, our solutions are designed to meet the dynamic requirements of businesses, educational institutions, healthcare facilities, and public spaces. By leveraging technology, we help our clients streamline operations while providing an engaging experience for users.

Quality is the foundation of our business. Every product undergoes rigorous testing and quality checks to ensure durability, performance, and safety. Our manufacturing processes adhere to strict industry standards, using premium materials and advanced production techniques. This dedication to quality has enabled us to build lasting trust with clients across Maharashtra and throughout India.
