About Us

APN Engineering And Construction Private Limited is a trusted manufacturer, trader and supplier of high-performance biodiesel and related products. Based in Pune, Maharashtra, we have been consistently delivering excellence since our establishment in 2019. Our offerings include Industrial Bio Diesel Plant, Liquid Acid Oil, Raw Glycerine, Soybean Acid Oil and Continuous Biodiesel Plant. With a strong focus on sustainable energy solutions, we support industries looking to transition into eco-conscious operations.

We specialize in designing and delivering advanced biodiesel production systems that meet global standards. Our Industrial and Continuous Biodiesel Plants are known for their efficiency, durability, and output quality. Every unit is built using state-of-the-art technology and engineered to ensure optimal performance in diverse industrial environments. From concept to commissioning, we provide end-to-end services with a commitment to innovation and environmental responsibility.

Key Facts

No of Staff	20
Year of Establishment	2019
OEM Service Provided	No

Our Products

100 TPD Continuous Biodiesel Plant

30 TPD Batch Biodiesel Plant

10 TPD Continuous Biodiesel Plant

30 TPD Continuous Biodiesel Plant

50 TPD Continuous Biodiesel Plant

5 TPD Batch Biodiesel Plant

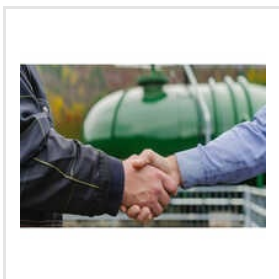

10 TPD Batch Biodiesel Plant

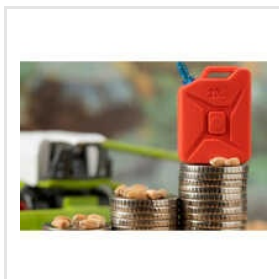

100 TPD Batch Biodiesel Plant

20 TPD Batch Biofuel Plant

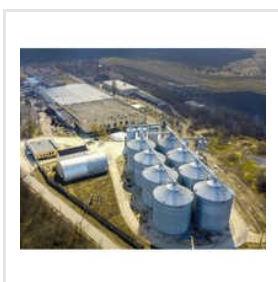

Biodiesel Plant OMC Agreements Service

Biodiesel Plant Financial Planning

Biodiesel Plant Land Acquisition Service

Biodiesel Plant Raw Material Supply

20L Soybean Acid Oil

Rapeseed Acid Oil

20L Raw Glycerine
