About Us

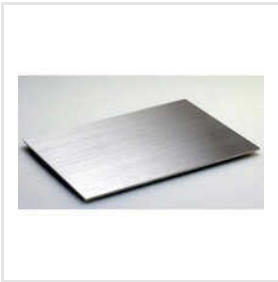

Jirawala Pipe & Tube stands as a prominent manufacturer, supplier, trader, importer, and exporter, boasting a comprehensive inventory of piping products tailored for the oil, gas, petrochemical, and nuclear Industries. Our offerings include an extensive range of products including Stainless Steel Long Weld Neck Flange, Stainless Steel Blind Flanges, Industrial Stainless Steel Sheet, Stainless Steel Pipe Plug, Steel Round Pipe, and more.

We are dedicated to fulfilling the sourcing requirements of our clients for these products through our commitment to quality and service. This dedication is further enhanced by our well-established in-house infrastructure capabilities, along with a robust stock of both raw materials and finished goods. As a growing organization, we pride ourselves on our skilled, experienced, and qualified workforce. We recognize the importance of maintaining close relationships with our customers, who provide invaluable market and product feedback. Our expansion and success are closely tied to brand recognition and acceptance. By actively listening to our customers, we aim to consistently meet and exceed market expectations both now and in the future. We regard our clients as our most significant assets, and therefore, we leverage our skilled workforce along with cutting-edge technology and equipment to meet their requirements.
