PROMOTER'S EXPERIENCE & EXPERTISE

With the focus on offering best returns to valued customers, we, at EIE Instruments Pvt. Ltd., have been optimizing the use of our cumulative experiences. We started our journey in the year 1977 by our honorable founder, Mr. Vimal C. Parikh. His in-depth knowledge and understanding of the market dynamics has helped the organization gain its present status in the global market and Earn A loyal clientele. We started the business as a marketing organization, which helped in establishing close interaction with numerous customers. Later, we entered into the ever Challenging Manufacturing field and our valuable experience in marketing sector helped us in carving a niche for ourselves in the industry.

We hold our expertise in establishing Civil engineering laboratories, Transportation laboratories, POY testing laboratories Humidity-rooms, and Environmental chambers, water-pollution laboratories, waste-water testing laboratories and Bitumen/asphalt testing laboratories.

Also, calibration facilities are given the highest priorities at our organization. We also hold excellent technical know-how to calibrate different calibration parameters such as Temperature, Pressure, Mass, Dimension and Force. Our calibration lab is one of its kinds in entire industry. EIE Calibration Lab is equipped with world class Master Calibrators procured from the reputed companies in the World such as FLUKE, AMETEK, MASIBUS, MITUTOYO etc.
