## About Us

Radical Engineering Solutions is a major manufacturer, supplier, trader and service provider of fire bucket stands, fire blankets, safety suits and breathing apparatus, gas flooding systems, public address systems, etc. Since 2016, we have been delivering premier fire protection systems and industrial solutions. As an innovative company, we specialise in providing turnkey projects, repair and service of fire protection systems, and industrial fabrication.

Our journey began with a limited scope of business, but our dedication to excellence has allowed us to grow and evolve into a trusted partner for numerous industries. We focus on working with select industries and clients, always delivering outstanding results and building long-lasting relationships.
