About Us

V-Arch Equipments is a trustworthy and reputable manufacturer and supplier of high-quality poultry equipment and accessories. As a company with extensive experience in the field, we have gained a good reputation for supplying innovative, durable, and efficient products like Plastic Egg Trays, Automatic Poultry Vaccinator Guns, Manual Vaccinator Guns, Turbo Chick Feeders, Auto Nipple Cups, and much more. Our products aim to address the increasing demands of the poultry farming sector, enhancing productivity and improving animal welfare for farmers and poultry operators.

In V-Arch Equipments, we believe in the value of efficient and durable tools in poultry farming. As such, precision engineering and quality manufacturing are of utmost importance. Every product is made with premium-grade materials to guarantee longevity, durability, and usability. Whether you need equipment to facilitate the feeding process, vaccination, or egg collection, our product line addresses various poultry farming requirements. Our Automatic Poultry Vaccinator Gun, for instance, streamlines the vaccination process, with precise doses and reduced human error. Our Manual Vaccinator Gun is also a cost-effective option for farmers who need a more manual process.
