About Us

FATEH ENGG. WORKS are specialized sheet metal Fabricator and manufacturers specializing in all forms of cutting, punching, forming and fabrications. As a renowned Rajpura, (PUNJAB), family-owned business, our roots are anchored in over 10 years of experience in the sheet metal industry, backed by a legacy that embraces a drive for excellence.

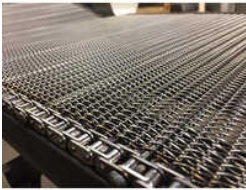

Having an established network of suppliers and partners in the sheet metal and engineering industry, we are fueled by a passion for creating outstanding value, forging enduring relationships, and pushing the boundaries of technology and creativity. We ensure that high-quality sheet metal parts are manufactured and delivered to our valued customers on time. Our engineers strive to exceed the expectations of our customers to enjoy a long-term business relationship.
