About Us

Anand Corporation is dedicated to delivering dependable fastening solutions that meet the evolving demands of industrial and construction sectors. Being manufacturer, supplier, and trader, we focus on providing products that combine durability, strength, and precision performance for a wide range of applications. The company deals in premium-quality nylon frame fixing anchor, SS wedge anchor, SS carriage bolts and nuts, wall plug, and pin type fastener designed to ensure secure grip, structural stability, and long-lasting functionality. Every product is developed with attention to quality material composition and engineering standards so that it performs efficiently even under demanding conditions.

Strong commitment towards quality and reliability has helped build trust among clients seeking fastening solutions that support safety, stability, and smooth installation processes. Precision-crafted products are known for corrosion resistance, dependable load-bearing strength, and easy installation, making them suitable for commercial, industrial, and infrastructure projects. The focus always remains on delivering solutions that enhance operational efficiency while maintaining consistency in performance and durability.
