

Manufacturer, Supplier, And Exporter

LOAD CELL

Auto Spring Tester, Bulk Weighing Systems, Check Weigher, Clutch Pedal Force System, Compression Load Cell, Compression Load Sensor, Container Weighing, Crane Over Load Protection System, Crane Weighing Systems, Digital Indicator , Digital Load Indicator , Digital Weighing Indicator, Double Ended Shear Beam Load cell , Electronic Digital Indicators, Heavy Duty S Type Load Sensor, etc.

SI-01 DIGITAL INDICATOR

STK TENSION LOAD CELL

DIGITAL WIRELESS DYNAMOMETER

About Us

Synopsis Techno Instruments is one of the largest manufacturers and exporters of Load Measuring System, Tension Controller, Speed Sensor, Wireless Dynamometer, STK Tension Load Cell, Digital Indicator, Tank Weighing System, and many other products. We have been actively involved in the business since our foundation in 1996. We have always put in our best efforts to deliver the finest products that deliver a value-for-money experience to customers. Our products are widely praised for their magnificent performance, longer working life, simple maintenance, robust construction, and availability in various sizes and technical specifications.

After a detailed analysis of the market, we, Synopsis Techno Instruments, have acquired a prominent status in a short period of time. We are experts at manufacturing Tension Controller, Wireless Dynamometer, Speed Sensor, Load Measuring System, Digital Indicator, Tank Weighing System, STK Tension Load Cell, and many other products. The expertise we enjoy is all because of the sharp workforce and modern infrastructural resources that are in our Mumbai, Maharashtra, India-based setup. Our disciplined professionals work in a streamlined manner to bring forth excellent results for the growth of the company.

We are also progressing because of our strict focus on professional and highly ethical trade practices. Our clients are properly informed about the policies, prices, and business terms before making any payment. Furthermore, we make a mark in the domain because of our constant learning and the introduction of new and better products.

Key Facts

No of Staff	24
Year of Establishment	1996
OEM Service Provided	No

Our Products

Digital Wireless Dynamometer

Tank Weighing System With Panel

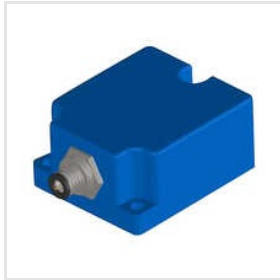

Speed Sensor

SBC Singal Point Load Cell

Crane Overload Protection System

Angle Sensor

TC-950 Web Tension Controller

SP-1000 Tension Load Cell

On Board Load Measuring System

LWT Web Tension Load

STK Tension Load Cell

Compression Load Cell

LDP Singal Point Load Cell

Industrial Tilt Switch System

Manual Pedal Force Meter Sensor

Manual Pedal Force Meter

ADDRESS

409 B Wing, Kemp Plaza, Opp.
Mind Space, Chincholi Bunder,
Malad West, Mumbai,
Maharashtra, India (400064).
