

TALCOOLA

Citrus, Honey & Turmeric Brightening Bar — Specification Profile

PRODUCT PROFILE

The Talcoola Citrus & Honey Brightening Bar is an artisan cold-processed soap meticulously formulated with vibrant sweet orange extracts, raw organic honey, and active turmeric ground.

TECHNICAL SPECIFICATIONS

Batch Variant: Citrus Gold • Active Radiance

The bright, warm amber hue is completely natural, reflecting a recipe designed to revitalize dull skin, restore baseline radiance, and offer natural antiseptic defense.

The signature debossed Talcoola crest is dynamically featured on the front panel face, symbolizing traditional micro-batch craftsmanship and high botanical integrity.

STRUCTURAL ARCHITECTURE

As confirmed by the 4-panel multi-axis evaluation, the block showcases sharp rectangular geometric parameters with micro-textured natural orange zest particulate suspension evenly spread throughout the matrix body.
