

TALCOOLA

Artisanal Botanical Soap — Product Specification Sheet

PRODUCT OVERVIEW

The Talcoola Artisanal Botanical Soap is a premium, cold-processed bar crafted with an organic selection of natural oils, herbs, and earthy clays. Presenting a deep, rustic crimson hue intertwined with fine botanical flecks, this bar provides gentle, non-stripping exfoliation alongside a rich, conditioning lather.

Each block is meticulously stamped with the signature Talcoola emblem, showcasing a dedication to traditional craftsmanship, zero synthetic detergents, and sustainable personal care.

TECHNICAL SPECIFICATIONS

Product Line: Earth & Petal Series

Processing Method: Traditional Cold Process

Color Palette: Deep Crimson / Burgundy Earth

Texture: Smooth body with micro-exfoliating botanical grains

Key Accents: Debossed signature Talcoola logo (Front)
