11.75kw Pipe Making Machine, 3kw Stacking Machine, 400kw Diesel Generator, Automatic Block Stacking Machine, Automatic Brick Stacking and Wrapping Machine, Automatic Compress Earth Block Maker Machinery, Color Feeder Machine, Electric Excavator, Electric Loader, Electric Scaffolding Lifting Machine, FD120 Hydraulic Clay Interlocking Brick Making Machine, FD220 Hydraulic Clay Interlocking Brick Making Machine, FD225 Hydraulic Clay Interlocking Brick Making Machine, FDC1 Electric Forklift, Fuda Road Paving Machine, etc.

QT815 FULL AUTOMATIC CONCRETE BLOCK MAKING MACHINERY

QT425 INTERLOCKING FLY ASH BRICK MAKING MACHINERY

QT615 CONCRETE HOLLOW BLOCK PRODUCTION LINE

About Us

Indo-Mech Equipments Private Limited is a trusted Service Provider, Trader and Supplier engaged in delivering advanced construction machinery and equipment solutions to clients across multiple industries. Established in 2018, the company has earned recognition for offering dependable products that support efficient construction and industrial operations. With a strong focus on quality, innovation, and customer satisfaction, we continue to provide practical equipment solutions that meet modern project requirements and industrial expectations.

We offer a comprehensive range of machinery including Fully Automatic Hydraulic Block Making Machine, Semi Automatic Block Making Machine, Mobile Block Making Machine, Clay Block Making Machine and Construction Equipment. Our products are known for their durability, operational efficiency, and reliable performance in demanding work environments. We aim to provide equipment that helps businesses improve productivity, reduce operational challenges, and maintain consistent production standards for long-term industrial growth.

Located in Khurda, Odisha, India, we continuously work towards strengthening our position in the market through reliable products and responsible services. Our dedicated team focuses on maintaining high standards in every aspect of the business process, from product sourcing to customer support. We strive to create value for our clients by offering dependable construction equipment solutions that contribute to operational efficiency, business productivity, and long-term performance improvement.

Key Facts

No of Staff	15
Year of Establishment	2018
OEM Service Provided	No

Our Products

Qt440 Automatic Manual Small Concrete

QT445 Diesel Egg Laying Concrete Block

QT403C Mini Small Moving Mobile

QT110 Automatic Rotary Logo Clay Brick

Qt418 Automatic Cement Hollow Block

QT435 Cement Concrete Interlocking

QT418 Automatic Concrete Cement

QT1025 Mobile Egg Laying Brick Machinery

Qt403A Small Movable Cement Solid Brick

Qt1015 Fully Automatic Block Brick Making

QT415 Hydraulic Automatic Block

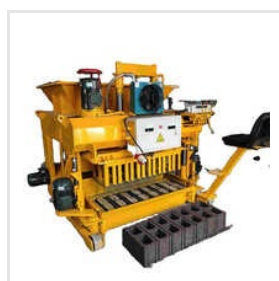

QT1015 Automatic Building Material

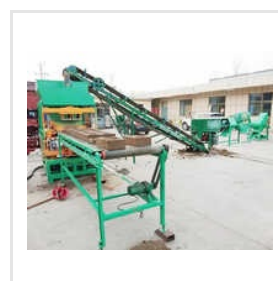

Qt424 Concrete Fly Ash Block Making Machine

QT430 Diesel Hollow Block Making Machine

Qt625 Hollow Cement Interlock Interlocking

Automatic Compress Earth Block Maker
