

Product Details – Nano-Bubble Generator

1. Basic Product Information

Category	Industrial Machinery & Parts
Private Category	Nano Bubble Technology
Product Name	Nano-Bubble Generator for Aquaculture/RAS/Agriculture
Country of Origin	India
Product Code	03
Product Status	APPROVED
Product URL	https://www.tradeindia.com/products/ncv-5-oxygen-based-nanobubble-generator-c10663985.html
Hot Product	Yes

2. Duplicate Product Check / Suggested Business Keywords

Suggested Business Keywords: Bubble Making Machine (64.89%), Colorful Bubble Machine (61.36%), Air Bubble Machine (57.82%), Bubble Fountain (54.58%), Air Bubble Film Machine (54.36%), Water Generator (53.70%), Coarse Bubble Diffuser (52.34%), Glass Bubbler (51.32%), Fresh Water Generator (51.29%), Aquaculture Blower (51.14%)

3. Pricing & Quantity

Minimum Order Quantity	1 Unit/Units
Price	■300,000 per Unit/Units
Unit of Price	Unit/Units
Stock Quantity	5
Selling Price (without GST)	■300,000.00

4. Existing Product Specifications

Product Type	Bubble Making Machine
Material	Stainless Steel Alloy
Computerized	Yes
Automatic	Yes
Touch Screen	Yes
Color	Multi colour
Starting Type	Electric Start
Phase	Single Phase
Engine Type	Air-cooled

5. Trade Information

Supply Ability	100 Per Month
----------------	---------------

Delivery Time	7 Days
Sample Available	Not specified
Sample Policy	Not specified
Packaging Details	Not specified
Main Export Market(s)	Not specified
Main Domestic Market	Not specified
FOB Port	Not specified
Payment Terms	Not specified
Certifications	Not specified

6. TI Shopping / ONDC

Brand Name	Prasinos Tech Innovations Private Limited
Minimum Ordered Packs	1
MRP of 1 Item (with GST)	Not specified
Stock Quantity	5
Pack Size	Not specified
Package Dimensions	Not specified
Selling Price (without GST)	₹300,000.00
Shipping Type	Not specified
Unit	Unit/Units
Weight of 1 Piece/Unit	Not specified
GST	Not specified
Is Returnable?	Not specified

7. Product Fields / Content Status

Business Keywords	Not specified
Brand Name (general field)	Not specified
Video URL	Not added
Short Product Description	Update required
Product URL	Available
Product Custom Fields	Existing fields present; several fields remain blank/not selected
AI Generated Custom Fields	No additional values provided

8. Fields Requiring Completion / Improvement

The following fields are blank, unspecified, or require confirmation based on the supplied product data:

- Business Keywords
- Video URL

- Short Product Description
- Capacity
- Weight (kg)
- Control System
- Surface Treatment
- Tolerance
- Drawing
- Voltage
- Dimension (L×W×H)
- Warranty
- Diameter
- Torque
- Phase / Shape
- FOB Port
- Payment Terms
- Packaging Details
- Main Export Market(s)
- Main Domestic Market
- Certifications
- TI Shopping GST / Returnability / MRP / Packsize / Package Dimensions / Weight

Note: This PDF is a structured representation of the product information supplied in the request. Blank fields have been marked as not specified rather than inferred.
