## About Us

Established with a vision to deliver excellence in fluid handling solutions, Antico Flow System, is a trusted manufacturer and supplier of high-performance Fluoropolymer and PTFE lined components. Based on cutting-edge technology and engineering expertise, we specialize in a wide range of products including Fluoropolymer and PTFE Lined Spool Pipes, Anti-Static Fluoropolymer Lined Spool Pipes, PTFE Lined Ball Valves, and PTFE Lined Butterfly Valves. Our products are precisely engineered to withstand corrosive environments, ensuring durability, chemical resistance, and leak-free performance in demanding industrial applications.

With a commitment to maintaining the highest quality standards, we use premium raw materials and adhere to stringent manufacturing protocols. Our team of skilled professionals ensures that every product meets the expectations of our clients across sectors such as chemical processing, pharmaceuticals, petrochemicals, and water treatment. At Antico Flow System, we do not just deliver products; we deliver performance, reliability, and peace of mind.

## Key Facts

|                               |              |
|-------------------------------|--------------|
| <b>Nature of Business</b>     | Manufacturer |
| <b>No of Staff</b>            | 30           |
| <b>Year of Establishment</b>  | 2025         |
| <b>No of Production Lines</b> | 1            |
| <b>OEM Service Provided</b>   | No           |

## Our Products

**Stainless Steel PTFE Lined Plug Valve**

**PTFE Lined Blind Flange**

**45 Degree PTFE Lined Elbow**

**PTFE Lined Spectacle Blind Flange**

**PTFE Lined Unequal Lateral Tee**

**PTFE Lined Reducing Flange**

**PTFE Lined Spool Pipe**

**PTFE Lined Concentric Reducer**

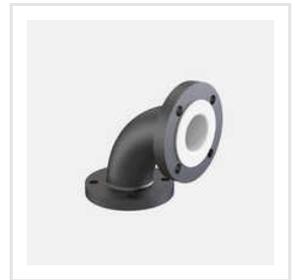

**PTFE Lined Jacketed Spool Pipe**

**PTFE Lined Instrument Tee**

**PTFE Lined Header**

**90 Degree PTFE Lined Elbow**

**SS 304-316 PTFE Lined Swing Check Valve**

**PTFE Lined Hose Nipple**

**PTFE Lined Unequal Cross**

**PTFE Lined Equal Lateral Tee**
