About Us

Established with a vision to deliver excellence in fluid handling solutions, Antico Flow System, is a trusted manufacturer and supplier of high-performance Fluoropolymer and PTFE lined components. Based on cutting-edge technology and engineering expertise, we specialize in a wide range of products including Fluoropolymer and PTFE Lined Spool Pipes, Anti-Static Fluoropolymer Lined Spool Pipes, PTFE Lined Ball Valves, and PTFE Lined Butterfly Valves. Our products are precisely engineered to withstand corrosive environments, ensuring durability, chemical resistance, and leak-free performance in demanding industrial applications.

With a commitment to maintaining the highest quality standards, we use premium raw materials and adhere to stringent manufacturing protocols. Our team of skilled professionals ensures that every product meets the expectations of our clients across sectors such as chemical processing, pharmaceuticals, petrochemicals, and water treatment. At Antico Flow System, we do not just deliver products; we deliver performance, reliability, and peace of mind.

Our Products

90 Degree PTFE Lined Elbow

PTFE Lined Spool Pipe

SS And PTFE 90 Degree Bend

Lined SS And PTFE Reducer

Lined SS And PTFE Elbow

PTFE Lined Spool Pipe

PTFE Lined Equal Lateral Tee

PTFE Lined Unequal Lateral Tee

PTFE Lined Eccentric Reducer

SS And PTFE Equal Tee

SS 304-316 PTFE Lined Swing Check Valve

PTFE Lined Hose Nipple

PTFE Lined Unequal Tee

PTFE Lined Concentric Reducer

PTFE Lined Instrument Tee

PTFE Lined Equal Tee
