About Us

Established with a vision to deliver excellence in fluid handling solutions, Antico Flow System, is a trusted manufacturer and supplier of high-performance Fluoropolymer and PTFE lined components. Based on cutting-edge technology and engineering expertise, we specialize in a wide range of products including Fluoropolymer and PTFE Lined Spool Pipes, Anti-Static Fluoropolymer Lined Spool Pipes, PTFE Lined Ball Valves, and PTFE Lined Butterfly Valves. Our products are precisely engineered to withstand corrosive environments, ensuring durability, chemical resistance, and leak-free performance in demanding industrial applications.

With a commitment to maintaining the highest quality standards, we use premium raw materials and adhere to stringent manufacturing protocols. Our team of skilled professionals ensures that every product meets the expectations of our clients across sectors such as chemical processing, pharmaceuticals, petrochemicals, and water treatment. At Antico Flow System, we do not just deliver products; we deliver performance, reliability, and peace of mind.

Key Facts

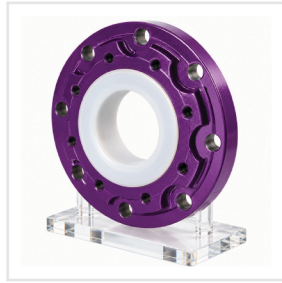

Nature of Business	Manufacturer
No of Staff	30
Year of Establishment	2025
No of Production Lines	1
OEM Service Provided	No

Our Products

PTFE Lined Curved Dip Pipe

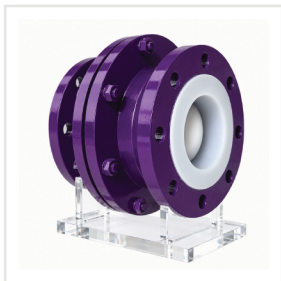

PTFE Lined Reducing Flange

Lined SS And PTFE Reducer

PTFE Entry Pipe

PTFE Lined Non Return Valve

90 Degree PTFE Lined Elbow

PTFE Lined Dip Pipe

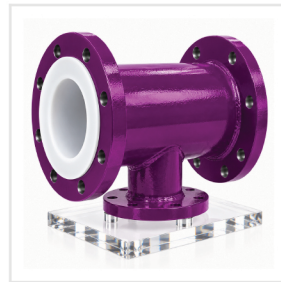

PTFE Lined Closed Dip Pipe

Stainless Steel PTFE Lined Plug Valve

PTFE Lined Flush Bottom Valve

PTFE Lined Equal Tee

PTFE Lined Instrument Tee

PTFE Lined Jacketed Spool Pipe

Industrial PTFE Lined Butterfly Valve

PTFE Lined Header

PTFE Lined Envelope Gasket
