About Us

Prateek Enterprises is a manufacturer, trader, and supplier dedicated to delivering high-quality prefabricated and portable infrastructure solutions to diverse sectors. The company deals in Insulation Puf Panel, Portable Cabin, Office Containers, Mild Steel Portable Cabin, Modular Toilet, and many more portable solutions. With a customer-centric approach, the organization directs all activities toward meeting client expectations through dependable products and transparent business practices. Ethical operations and clear communication have helped the company build lasting relationships across various industries.

Based in the industrial hub of Ghaziabad, Uttar Pradesh, Prateek Enterprises is a prominent manufacturer, trader, and supplier established in 2023. The enterprise operates as a specialist in the modular construction and prefabricated housing sector by providing high-grade portable structures for commercial and industrial use. The primary product range features Insulation PUF Panel, Portable Cabin, Office Containers, Mild Steel Portable Cabin, Modular Toilet, and other modular spaces. Operating from its strategic base in Northern India, the company utilizes advanced fabrication techniques and premium thermal materials to ensure every unit provides comfort and climate control. The infrastructure is designed to serve the construction and corporate sectors, where rapid site mobilization and durability are essential for project success. Prateek Enterprises has developed a streamlined manufacturing facility and an efficient distribution network that ensures the prompt delivery of secure and weather-resistant cabins across the region.
