## About Us

Prime Products, a Mumbai-based company established in 1991, specializes in rechargeable batteries. As a manufacturer, supplier, and trader, we offer a comprehensive range of products, including Ni Mh Battery, NiCD Battery, Sealed Lead Acid Battery, Li ion Battery Pack, Ni Mh Battery Pack, and more. Our extensive knowledge and experience in this field enable us to provide our customers with expert advice and guidance. At Prime Products, we have well-defined procedures for testing & charging batteries, which help us ensure performance of the batteries we sell. We are committed to continuously improving our quality assurance systems based on the valuable feedback provided by our customers.

We have also designed a tracking systems that ensure batteries are not stored in a discharged condition in our stock. The system also allows us to monitor the transit process and update customers regarding the delivery schedule. Additionally, we source batteries from the best battery manufacturers and ensure that each of our products is as per defined industry standards. Under the leadership of Mr. Shray T Desai, our National Sales and Marketing Manager, we have a team of experienced industry professionals who help us in understanding and meeting the specific requirements of our customers. His visionary business approach has helped us establish ourselves as a trusted name in the industry.
