About Us

Vulcan Metal Tech is a prime Manufacturer, Service Provider and Trader of high-quality and durable 3 Point Linkage Parts, Agricultural Machinery Parts, Lawn Mower Parts, Tractor Spare Parts, etc. Founded in 1999, Vulcan Metal Tech has established itself as a leading provider of high-performance automobile replacement parts for heavy commercial vehicles, tractors, trailers, and machinery equipment. From humble beginnings supplying basic components, we have evolved into a trusted OEM and custom parts manufacturer with a growing global presence.

Vulcan Metal Tech is a leading B2B manufacturer and exporter of OEM, replacement, and custom machinery parts based in Delhi, India. Since 1999, we have been supplying precision-engineered components for the agriculture, construction, and automobile sectors. With 25 years of experience, state-of-the-art equipment, and a dedicated QC lab, we specialize in manufacturing parts from your drawings or samples- at highly competitive prices. Our in-house production ensures top-tier quality that meets international standards. If you are looking for a dependable and cost-effective partner for OEM/aftermarket parts, we'd be glad to assist.
