About Us

Plus Adhesive is India's leading manufacturer of Cyanoacrylate (Instant) Adhesives and PTFE Thread Seal Tapes, offering innovative bonding and sealing solutions trusted by top national and global brands. With two decades of experience and in-house R&D, we specialize in high-performance products like Qullox, Pixu, Gixufix, and Fass-Qwick and Foogofix. Engineered for speed, strength, and reliability, our adhesives serve diverse industries— including woodworking, furniture, footwear, PVC, flex, stone and marble, metal, construction, automotive, electronics, and packaging. Every product reflects our unwavering commitment to quality, consistency, and customer satisfaction. At Plus Adhesive, we do not just bond materials – we build trust through performance – JODTA CHALA CHAL.

Plus Adhesive is a leading Indian manufacturer and exporter of cyanoacrylate instant adhesives, PTFE thread seal tapes, and specialized bonding solutions for industrial and commercial applications. With over two decades of experience, we are trusted by top national and international brands for delivering high-strength adhesives, fast-curing solutions, and quality sealing products designed for performance and reliability. We serve a wide range of industries, including automotive, electronics, woodworking, furniture, PVC fabrication, packaging, and general manufacturing. Our flagship products – Qullox, Pixu, Fass-Qwick, Gixufix, FoogoFix, and Gixu are engineered to meet the demands of high-speed production environments and precision bonding applications.
